S. C. R. No. 54, Granting Louis D. Wusterhausen et al. permission to sue the State.

Whereas, Louis D. Wusterhausen and Maxine Kissman, independent executors of the Estate of A. B. Wusterhausen, deceased, allege that the said A. B. Wusterhausen, prior to his death, operated an automobile racing track for the conducting of automobile racing exhibitions under the name "Austin Speed-O-Rama" in Travis County, Texas; and

Whereas, said Louis D. Wusterhausen and Maxine Kissman, as independent executors of said Estate, allege that, in connection with the operation of said Austin Speed-O-Rama the said A. B. Wusterhausen paid to the State of Texas, through the Comptroller of Public Accounts, a total of Thirteen Thousand Three Hundred Three Dollars and Thirty-three Cents (\$13,303.33) as admission taxes under Chapter 21 of Title 122A R.C.S.; and

Whereas, Said Louis D. Wusterhausen and Maxine Kissman, as independent executors of said Estate, allege that said taxes were not properly due and payable to the State of Texas; that the Comptroller of Public Accounts was not authorized to levy and collect said taxes; that said taxes were paid under duress; and that said taxes should be refunded to said Estate and the heirs and legatees thereof; and

Resolved, That any such party in any such suit shall have the right of appeal as provided for in other civil cases; and be it further

Resolved, That nothing herein shall be construed as an admission on the part of the State of Texas, or any of the Departments or Agencies of the State of Texas, or any of the political subdivisions of the State of Texas, as to the validity of any allegations or claims asserted in any such suit, but that all allegations and claims asserted in said suit must be proved as in other suits under the same rules of evidence and the same laws as apply in and govern the trial of other civil cases; and be it further.

Resolved, That nothing herein shall be construed as a waiver of any defenses, of fact as well as of law, that may be asserted by or available to the State of Texas, or any of the Departments or Agencies of the State of Texas, or any of the political subdivisions of the State of Texas, in said suit, but all such defenses are hereby specifically reserved.

The President laid the bill and the following House amendments before the Senate:

Committee Amendment No. 1

Amend S. B. 130 by striking out all below the enacting clause and substituting in lieu thereof the following:

Section 1. From and after September 1, 1965, all tuberculosis hospitals in the custody and control of the State Board for Hospitals and Special Schools shall be transferred to the State Health Department. This transfer is made to unify and consolidate the responsibility and functions of tuberculosis case finding and follow-up with treatment and cure of the disease. From and after September 1, 1965, the custody, control, maintenance and operation of all tuberculosis hospitals maintained by the State of Texas shall be under the jurisdiction and control of the State Board of Health and all responsibilities, powers and duties concerning the care and treatment of those afflicted with tuberculosis heretofore possessed by the Board for Texas State Hospitals and Special Schools are hereby transferred to the State Health Department, including all powers provided in House Bill 421, Acts of the 56th Legislature, Regular Session, 1959, Chapter 181, codified in Vernon's as Article 4477-11, Vernon's Civil Statutes.

There shall be transferred to the State Health Department from the State Board for Hospitals and Special Schools all equipment, staff, inventory and perishable stores necessary to insure the continual functioning of all state tuberculosis hospitals without

interruption. This transfer shall also include the transfer to the State Health Department of all personnel employed by the Board for Hospitals and Special Schools in its tuberculosis program, authorized salary rates for employment of personnel and all appropriations made to the Texas State Board for Hospitals and Special Schools for the operation of tuberculosis hospitals. This transfer shall be made effective September 1, 1965.

It is the intent and desire of the Legislature that the State Board for Hospitals and Special Schools and the State Health Department consult with the State Auditor, and the Comptroller of Public Accounts, Budget Board and any other State agency necessary for the orderly transfer of all physical plants, equipment, perishable stores, inventories, staff, funds and all records from the State Board for Hospitals and Special Schools to the State Health Department.

Sec. 2. The State Board of Health may contract for the support, maintenance, care and treatment of tubercular patients admitted to any facilities under the jurisdiction of the Board and/or for the support, maintenance, care and treatment of tubercular patients under its jurisdiction. Such contracts may be made between the Board and city, county and State Hospitals, private physicians, licensed nursing homes and hospitals and hospital districts, and the State Board of Health may contract for such existing diagnostic and other services available in a community or region as deemed necessary to prevent further spread of tuberculosis. Full development of these essential services needed for the control of tuberculosis is the responsibility of the State Board of Health.

Authority to contract provided herein shall be cumulative of all other contractual rights of the State Board of Health. Provided such contract shall not include the assignment of any lien accruing to the State.

The State Board of Health is authorized to establish and operate Out-patient Clinics on the premises of the States' Tuberculosis Hospitals or other locations deemed necessary for the purpose of providing follow-up treatment on discharged patients. Persons receiving such treatment are financially liable as are inpatients.

From and after the effective date of this Act, the Board for Texas

State Hospitals and Special Schools shall not have the authority to contract for the support, maintenance, care and treatment of tubercular patients committed to the State Board of Health. Provided, however, nothing herein shall affect the contractual obligations created by the Board for Texas State Hospitals and Special Schools prior to the effective date of this Act for the support, maintenance, care and treatment of tubercular patients, and all such contractual obligations on behalf of the State created by the Board for Texas State Hospitals and Special Schools prior to the effective date of this Act, pursuant to the provisions of Acts of the 58th Legislature, Regular Session, 1963, Chapter 43, codified in Vernon's as Article 3174b-5, Vernon's Civil Statutes, shall be performed and carried out by the State Board of Health.

The State Board of Health shall be responsible for obtaining, where desirable, subsequent pathological reports and/or findings relating to tubercular patients so reported.

Sec. 4. The State Board of Health shall provide for the examination for tuberculosis infection of all pupils in the first and seventh grades of the public, parochial and private schools of this State, and of all pupils transferred to the public, parochial and private schools of this State from another state or country.

Sec. 5. and revealing that the results of such examination have been furnished the State Board of Health by the person performing the examination. No person shall be permitted to perform his or her duties in the absence of such certificate being furnished the governing board of the school.

All persons seeking to perform migratory work in this State shall furnish the labor agent for such person a certificate signed by a person licensed to practice medicine in this State revealing (1) that the person seeking to perform migratory work has been examined for the disease of tuberculosis, (2) the results of such examination and (3) that the results of such examination have been furnished to the State Board of Health. No labor agent shall obtain employment for any migratory worker unless and until such labor agent has been furnished a certificate revealing that such worker has been examined for the disease of tuberculosis within a period of time not exceeding sixty (60) days prior to employment. The provisions of this Act shall be cumulative of all other power now possessed by the State Department of Health relating to the care and treatment of those afflicted with tuberculosis and relating to the control and sanitary management of tuberculosis, and shall be cumulative of the provisions of House Bill 421, Acts of the 56th Legislature, Regular Session, 1959, Chapter 181, codified in Vernon's as Article 4477-11, Vernon's Civil Statutes.

Sec. 11. If any provision of this Act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of this Act which can be given effect without the invalid provision or application and to this end the provisions of this Act are declared severable.

Sec. 12. The fact that it is essential to public health and safety to regulate and control the disease of tuberculosis and the fact that a program designed to cause the prevention, control and eradication of the disease of tuberculosis needs to be established, and the inadequacy of the present laws to carry out such a program of eradication, creates an emergency and an imperative public necessity that the Constitutional Rule requiring all bills to be read on three several days in each House be suspended and this Rule is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.

Committee Amendment No. 2

Amend S. B. No. 130 by striking out all above the enacting clause and substituting in lieu thereof the following:

The President laid before the Senate on its second reading and passage to engrossment S. J. R. No. 6.

Question—Shall S. J. R. No. 6 be passed to engrossment?

Senator Hardeman raised the following Point of Order:

I raise the point of order that a measure of the same content and substance as S. J. R. 6, to-wit, H. J. R. 6, failed to pass the house on March 2, 1965, by vote of 91 to 26 according to the House Journal of that date. Pursuant to Joint Rule 19, notification of the defeat of such Joint Resolution, presumably is in the hands of the President or the Secretary of the Senate. This precludes further consideration of S. J. R. 6 for the reason that consideration of Bills or Resolutions containing the same substance which have failed of passage in one House shall not be passed during the same session by the other House, as provided in Senate Rule 73 and Article III, Section 34 of the Constitution of Texas.

The President stated that "The Senate never having been notified that H. J. R. No. 6 failed to pass the House, the Point of Order is overruled."

Question—Shall S. J. R. No. 6 be passed to engrossment?
